Date: September 16-2025

For Immediate Release

NFSN-USA is Officially Registered As a Nonprofit Organization

San Juan, Puerto Rico — The National Family Strengthening Network – USA (NFSN-USA) informs the public, government authorities and the community at large that, as of **September 16, 2025**, the organization has been legally registered with the corresponding governmental authorities as a **nonprofit organization**, in accordance with applicable laws and regulations in the **United States**.

This important institutional milestone reinforces NFSN-USA's commitment to **holistic family strengthening**, sustainable **social development**, and the promotion of community well-being, under principles of legality, transparency, social responsibility, and public service.

The organization's legal registration enables NFSN-USA to **expand** its operational capacity, establish strategic partnerships with public and private entities, access cooperation and funding programs, and strengthen its governance mechanisms, accountability practices, and social impact evaluation.

Since its inception, NFSN-USA has worked on the design and implementation of programs focused on the prevention of family-related challenges, the promotion of healthy relationships, the development of socio-emotional skills, and support for communities in vulnerable situations. With its official registration as a nonprofit organization, these initiatives gain institutional backing that ensures their continuity and long-term projection.

The Executive Directorate of NFSN-USA stated:

“This registration represents a fundamental milestone in our organizational history. It allows us to serve with greater reach, legitimacy, and responsibility to the families and communities that trust in our mission.”
