NFSN-USA Invites Families to Celebrate Thanksgiving by Strengthening National Unity

San Juan, Puerto Rico — The National Family Strengthening Network – USA (NFSN-USA) joins the commemoration of **Thanksgiving Day 2025** by inviting families, communities, and institutions across the country to experience this date as a space for unity, reflection, and renewed commitment to national cohesion.

In a social context that demands higher levels of **cooperation, empathy, and collective responsibility**, NFSN-USA highlights the value of **gratitude** as a foundation for strengthening family bonds, promoting peaceful coexistence, and consolidating a more **just, supportive, and resilient society**.

This occasion represents an **opportunity** to recognize **individual and collective efforts** that contribute to the common good, as well as to reaffirm the role of the family as an **essential nucleus** in the processes of human development, social cohesion, and civic engagement.

During this celebration, the organization encourages families to **dedicate** special time to **intergenerational dialogue**, mutual recognition, and appreciation of collaborative efforts as the basis for a **sustainable** process of national strengthening.
