NFSN-USA Announces the Appointment of Piedad Arango Pinilla as Director of the Timely Action and Projects Line

San Juan, Puerto Rico — The National Family Strengthening Network – USA (NFSN-USA) informs the public, government authorities, and the general community of the appointment of **Piedad Arango Pinilla as Director of the Timely Action and Projects Line**, thereby strengthening its institutional structure and its capacity for comprehensive intervention in support of families.

In her new role, **Piedad Arango Pinilla** leads the **design, coordination, and implementation** of intervention strategies focused on early response, family rehabilitation, and relational strengthening, in alignment with the mission and strategic objectives of NFSN-USA.

Piedad Arango Pinilla is a licensed psychologist and holds a **Master of Business Administration (MBA)** and a specialization in **Project Management**, obtained in the United States. Her professional background integrates clinical psychological intervention with solid experience in the design, execution, and evaluation of projects, particularly in initiatives aimed at family strengthening and relational well-being.

She has extensive experience in clinical practice, psychosocial intervention, and the development of research projects focused on family dynamics, prevention, and resilience. In addition, she has worked with governmental institutions and multidisciplinary teams in the public sector, contributing to the design and implementation of **evidence-based programs** aimed at improving individual and family outcomes.

In the academic field, she has served as a teaching assistant at a North American university, supporting instructional processes in graduate-level programs.
