### **NFSN-USA AND DR. DAVID HORMACHEA SIGN STRATEGIC AGREEMENT TO STRENGTHEN FAMILIES ACROSS THE UNITED STATES AND PUERTO RICO**

National Family Strengthening Network – USA Inc. (NFSN-USA), a nonprofit organization recognized by the Internal Revenue Service (IRS) as a tax-exempt entity under Section 501(c)(3) of the Internal Revenue Code, announced the signing of a Strategic Collaboration and Honorary Advisory Agreement with renowned author, researcher, speaker, and family counselor Dr. David Hormachea.

This agreement represents a significant step forward in the development of initiatives focused on family strengthening, preventive education, social research, and the promotion of community well-being throughout Puerto Rico, the United States, and future communities served by the organization.

As part of this collaboration, Dr. Hormachea will contribute his experience, specialized knowledge, and strategic guidance in areas related to healthy family development, educational content creation, the promotion of family values, and the advancement of social impact initiatives. The partnership will also facilitate the identification and utilization of educational resources developed throughout Dr. Hormachea's decades of work, supporting the growth and strengthening of NFSN-USA's programs.

"We are deeply honored to have earned the trust and support of Dr. David Hormachea. His international experience in family development, leadership, and preventive education represents an invaluable asset for our organization and for the communities we aspire to serve," said Jorge Ramírez Lamy, Founder, President, and Chief Executive Officer of NFSN-USA.

For his part, Dr. Hormachea stated: "After guiding millions of individuals through my books, conferences, radio programs, and television broadcasts, supporting families in my adopted nation, the United States, has been one of my long-standing aspirations. My team and I are honored and delighted to join the team led by Jorge Ramírez Lamy in

advancing initiatives that contribute to strengthening families, preventing social challenges, and fostering the comprehensive development of future generations.”

The signing of this agreement is part of NFSN-USA’s institutional strategy to build a national network of partnerships with leaders, researchers, organizations, and professionals committed to restoring the family fabric and promoting social well-being.

NFSN-USA is currently developing a comprehensive model based on applied research, community prevention, timely intervention, and cultural transformation, with the vision of strengthening families, restoring hope, and contributing to the development of healthier and more resilient communities.
